Serenity.*

During the past year, Mission Serenity has witnessed miraculous changes in the lives of hundreds of people in Australia and New Zealand. Few things are more exciting and humbling than participating in God's restoration of broken lives.

It is because of your faithful support that this has been possible. We salute you and thank you from the bottom of our hearts. What a party there will be under the Tree of Life one day very soon!

The financial year is rushing to its close and with it the opportunity for you to help make a big difference to many more lives in bondage to habit and despair. Michelle and I urge you to consider making what will certainly be the difference between life and terminal hopelessness. **All gifts to Mission Serenity are fully tax-deductible.**

God has opened the way for our Recovery Road program to reach a global audience through 3ABN and we need more printed work books. We record the new Manhood Matters series in July which will air later this year. And we will need new printed material to be ready in time for the program, flash drives to distribute to participants and other related material.

We have begun the construction of facilities on the Mission Serenity property, Grace Glen, where families in distress will come and find the peace that passes understanding. All funding for these vital projects comes from you. We wish to thank you for responding to the Spirit's call to "compel the halt, the maimed and the blind to the Feast".
